

Aascendora PTY LTD

Global Talent Solutions | Managed Workforce | Managed Operations

FLAGSHIP MANAGED WORKPLACE

Aascendora Managed Hub

Dedicated offshore talent operating from a professional managed workplace, with local infrastructure, attendance visibility and workforce support.

OPERATING PRINCIPLE | Aascendora manages the workplace. The client manages the work.

BEST FOR / PURPOSE

Best for clients that want offshore talent without having to manage workplace logistics, local employee administration or on-the-ground attendance controls.

What this service delivers

Six core elements

1 Managed workspace

Professional office environment through Aascendora-managed or approved facilities.

2 Infrastructure

Standard workstation, internet, utilities and day-to-day workplace readiness.

3 Attendance

Local visibility of attendance and agreed working schedule.

4 Workplace conduct

Local workplace standards, conduct support and escalation where required.

5 Payroll & HR

Employment, payroll and HR administration under the agreed service model.

6 Local support

Aascendora support for the professional and a defined client contact.

Aascendora manages

- Professional office workspace
- Internet, utilities and standard workstation
- Attendance monitoring
- Workplace conduct management
- Payroll and HR administration
- Local employee and client support

Client manages

- Daily tasks and priorities
- Technical instructions
- Professional standards and deliverables
- Operational decisions
- Final approval of work
- Performance feedback on professional output

SERVICE BOUNDARY / IMPORTANT

Managed Hub is workplace management, not outsourced line management. The client remains the owner of the role, work priorities and professional decisions.
